Greetings of the Season.

I thank you for taking out time to review my profile.

Just a Quick Introduction-

I am Swatantra Kumar Mishra, **B.Tech Computer Science graduate from SIET Jhalwa Allahabad**. I am a **Sr Software Developer** with Cross Industry work experience of 2.8 years.

Currently working with **Celstream Pvt Ltd, Bangalore**, I have gained broad industry experience on **Asp.Net, C#, Sql Server 2008, Html, CSS, Java Script, Json, & Web Service, HTTP and HTTPS sockets , Phonegap ,XML.** I aspire to consolidate my experience and understanding of Software development.

I am on the lookout for a job which will help me utilize my sound development, problem solving and & analytical skills, which I have acquired during my tenure at the company and during my engineering education. I would greatly appreciate if presented an opportunity to pursue a career aligned in software development. Location is not a constraint. I am open for international assignments& jobs which require extensive travel as well.

Please do contact me if you deem my profile in line with your requirement.

Regards,
Swatantra Kumar Mishra
